FROM MONGOLIA THE PLAN IS STILL OPEN. Options can be A) get on a train to Moscow and go home B) Go to Vladivostok (via Magadan?) and find shipping to USA. Must be a less than \$2000 shipping solution and quicker than 40 days. South Korea is an option, but ferry costs €500, shipping by air is €3000 and crate for the bike is another €300 + Unsertainties regarding if you must pay duties on the bike (about NOK 20.000)
